Message from Zonta International Membership Committee chair & Nominating Committee Member

Ms Winnie Teoh

On the occasion of the Charity Fund Raising event & 35th Anniversary Celebration, I would like to congratulate all past & current Club leaders & members of the Zonta Club of the New Territories. The Zonta Club of the New Territories was chartered in 1982, and since then it has played significant leadership position for various community projects.

Zonta International was established in 1919, and currently we have about 30,000 members in 66 countries worldwide. With our persistent efforts to address major women's issues at both international & local levels, the credibility of the Zonta brand is continually increasing. The environment is conducive for committed leaders like us, to spread the Zonta message to like-minded individuals who share our same passion. The Zonta International Membership Committee has in April 2017 launched the Global Membership Drive encouraging all clubs to put historical efforts on membership growth, which for District 17 is a net increase of +7%. There is a diversity of materials on the ZI website that Zontian leaders can browse through and use them for engaging, retention & recruitment of members. The main objective is to share our mission of empowering women with our friends & prospective. To be able to help fellow women and girls is a blessing in life. The more engaged and happy members we have, the greater opportunity of delivering meaningful projects in service & advocacy.

The Zonta Club of the New Territories has in the past years organized many meaningful & creative projects to help the underprivileged women, youth, and children, elderly and disabled; as well as in addressing violence against women. Many of their projects are award winners, while at the same time raising awareness and empowering skills for the needy. Their efforts have contributed greatly in improving the quality of lives for women in our community.

I am confident that Zonta Club of the New Territories will continue to organize exceptional & outstanding projects. May I send my best wishes to the club, in achieving more successes in the future years to come!

Winnie Teoh

Message from Zonta International District 17 Governor

Ms Primitiva "Baby" Perez Sison

My felicitous greetings to the affable and empowered women of Zonta Club of the New Territories for celebrating a milestone in your club. Indeed, you have the best reasons to celebrate considering your 35 years of dedication, commitment and dynamism as a Zonta Club in the 21st century.

Needless to say, for more than three decades, you have charted a great course as a Club; working as one for the least and the last. Your strength as a team has overpowered all odds and triumphed over all the challenges you met. Such team spirit and work ethic realize the main ideals of Zonta and for everything that it stands for. Your club is in full circle with the number of projects and programs that you have implemented and accomplished. The club, for one, has remained focused on its aspiration to improve the lives of women - the elderly, the young, the underprivileged and the handicapped. Your initiatives in promoting environmental protection have impacted the communities that you have served. Addressing the demands of the 21st century and getting immersed in digital literacy, you have successfully maintained your website which serves as a hub for information and international linkages. Your service projects have been pivotal in promoting women empowerment, preventing inter-personal violence and assisting women and young women in your area. There is no doubt that Zonta Club of the New Territories has fulfilled its mission dating back to its inception in 1982. The Club has gone a long way in a span of 35 years; there is a dynamic group of women leaders and executives in the Club. Your work exemplifies the Zonta ideals and I congratulate you for all you have achieved and the number of lives that you have touched over the years.

More than recognizing abled leadership of distinguished women, I challenge Zonta Club of the New Territories to raise its bar of excellence in terms of Directions for a better future for all – Global & Local Impacts; ZI Centennial Anniversary, Resources, Empowerment through Educational Opportunities, Advocacy, Membership and Service.

These are our D.R.E.A.M.S. for Zonta – the focus areas of Biennium 2016-2018. Strengthening every single link of our organization to ensure sustainability and lasting impact in the lives of women continues to be a big challenge. But I do believe that if we all have "One Vision, One Mission, One Voice, One Movement", we can make our D.R.E.A.M.S. a reality.

I hope that your achievements will inspire other women executives to continue to reap rewards and recognition as staunch advocates of women empowerment and gender equality. Congratulations Zonta Club of the New Territories! Believe in the power of our D.R.E.A.M.S.!

Primitiva "Baby" Perez Sison

A very warm welcome to our key event of the year - a joyous occasion to commemorate the solidarity of the Zonta Club of the New Territories in our 35 years of continual service for empowering women through service and advocacy, when we also embark on our biennial task of raising funds for achieving our Zonta mission.

35 years is an important milestone of our Club as we grow and expand upon the enthusiasm, commitment and unwavering efforts of all our members who have joined hands over the years to make meaningful impacts on the lives of women and the underprivileged, pursuant to our care for the young, the elderly and the disabled. It is gratifying to witness the fulfillments resulted from our diverse service projects which extend from campaigns on “Zonta Says No Violence Against Women”, scholarship scheme for ethnic minority women pursuing tertiary education, working skills enhancement programs for female drug addicts, breast cancer awareness project, home improvement scheme for the elderly and training program for handicapped mothers, to environmental protection. We are pleased to have partnered not only with other sister clubs of Zonta but also many different service organizations, some of whom are present here this evening with us. Please do visit the reception area outside this Ballroom for highlights of our selected service projects.

In this 35 years of collaborative journey, the strong bonding, love and care amongst our sister Zontians through working together in unity and harmony is the wonderful Zonta NT spirit that we take pride in and deeply cherish. We are blessed to have the unreserved devotion of leading women from different professions and businesses not only at our Club, but also in our district and internationally across the globe who are all passionate about building a better world and at the same time fostering Zonta friendship.

It has been a most heartwarming experience for us as we work with our group of vibrant members in the organizing committee on our important task and witness the staunch support from each and every Zontian. Commencing from the creation of our special anniversary logo, we are excited that our preparations since December last year have all come to reality at our wonderful event today and our Zonta NT members here are all in perfect unison to our 35th anniversary theme of Jade and Coral. This beautifully decorated venue features hands-on work by our Zontians with the unique gifts on each table for every guest including special edition of Zozi cookies as well as attractive table prizes. Our sales booths offering different types of high quality products below market price from 4pm to 9pm today have been packed with zealous buyers. Our distinguished guest performers this evening including Mr Raymond Young, Ms Joyce Wong, Ms Dominique Chan, Ms Katherine Cheung and Ms Judas Law will showcase the wonder of both western and Chinese music whilst our Zonta NT choir will also be performing to embrace our love. As part of this evening’s program, we will also invite you to join us in support of the ‘Zonta Says No To Violence’ campaign.

Importantly, on behalf our Committee, we would like to convey our heartfelt gratitude to all our patrons, sponsors, donors, service partners, guests and to every Zontian for your participation and contributions which have made our occasion a most meaningful and memorable success.

We sincerely wish you all a very enjoyable evening. As we move forward happily under the biennial goal of Zonta District 17 - “One Vision, One Mission, One Voice, One Movement: A Season of Weaving D.R.E.A.M.S.”, we look forward to building an even stronger and closer Zonta Family!
